

EVALUATION SYNOPSIS OF RESPONSES

Training Event Title: Play Outside NC: Early Science & Math Concepts Are Everywhere!

Trainer(s): Pamela Hines Orr, Angela Wilson, Carroll Worrell-Barnes, Debra Torrence

Date: February 6, 2016

Thank you for taking time to complete this evaluation. Your responses help us to evaluate professional development and training activities and your suggestions help us to improve them to better meet your needs.

Rate the training session as follows:	Strongly Agree	Agree	Disagree	Strongly Disagree	
1. The learning objectives were made clear to me.	5(40)	4	3	2	1
2. The content including audio visuals and handouts, related to the learning objectives.	5(39)	4(1)	3	2	1
3. The information was presented clearly and in an organized way.	5(39)	4(1)	3	2	1
4. The training provided me with new knowledge and skills.	5(39)	4(1)	3	2	1

I would like future workshops from this presenter. Yes 40 No

<p>I am interested in training on these subjects.</p> <ol style="list-style-type: none"> 1. More activity ideas. 2. Literacy in the pre-k classroom 3. Art and Crafts 4. Theme Boxes/Bags 5. First Aid 6. Outdoor learning environments 7. Health/nutrition 8. Social studies inside the classroom 	<p>Comments/Suggestions:</p> <ol style="list-style-type: none"> 1. "Enthusiastic presentation. Loved the chance to be outdoors. Great setting, beautiful boardwalk, materials shared." 2. "Very fun and informative!" 3. "I really enjoyed the experience and learning activities!" 4. "I really enjoyed this training." 5. "The training was great! I LEARNED A LOT. Not really feeling the worms; but everything else was great!" 6. "Can Ms. Angela come do a workshop?" 7. "I really enjoyed this workshop." 8. "Wonderful Training" 9. "Presenters and materials were wonderful! Great day!" 10. "Great workshop! Presenters from UNC were energetic and showed love for the content of which they spoke about, as well as other presenters from BHPC, BHM, etc. It wasn't easy coming out at 9 a.m. on a Saturday, but it was worth it." 11. "The presenters were great! I enjoyed my day and learned a lot." 12. "The training was awesome!! I learned a lot and would love to hear and learn more!" 13. "The presenters were professional and very supportive." 14. "Well done." 15. "I had so much fun, enjoyed the nature walk and information was great! Love it!" 16. "Loved the training! Lots of new ideas to bring back to the classroom." 17. "The best training that I have attended." 18. "Great!" Awesome!" 19. "Enjoyed workshop! Didn't know all this info was here." 20. "Did a good job setting the workshop." 21. "Very helpful information on outdoor learning and math and science activities." 22. "I really enjoyed and learned a lot of things, like making things."
